Applicants' "Petition For Revival of an International Application For Patent Designating the U.S. Abandoned Unintentionally Under 37 CFR 1.137(b)," filed in the above-captioned application on 28 July 2006 is **GRANTED**.

Applicants indicate that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional, as required by 37 CFR 1.137(b)(3). The appropriate national fee and petition fee have been submitted. A terminal disclaimer is not required as the application was filed on or after 08 June 1995. Accordingly, all requirements under 37 CFR 1.137(b) have been satisfied.

Applicants have supplied a declaration in compliance with 37 CFR 1.497(a)-(b). The fee for late furnishing of the search fee, examination fee or oath or declaration after thirty months from the priority date is required. The deposit account to which applicants authorized the charging of additional fees, 11-1450, could not be located.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations for continued processing in accordance with this decision, including issuance of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that the fee for filing the search fee, examination fee or oath or declaration after 30 months is required.
